Good morning. I will provide him with the answers he's posed but wanted to check in about who may do the interview requested for sometime this week? Enrique would you assign that to Pepe or Gabe?

Thanks.

Hi Elena,

I hope you're hanging in there.

A few questions:

When did the city stop doing CARE team and OHS cleanups because of the pandemic?

I know clean up were resumed in San Pedro but am told they have stopped. Please confirm.

Are there any other areas where CARE or OHS cleanups have been done during the pandemic?

Does the city have any plans to resume CARE and OHS cleanups? If so, when and where?

Has the city done any disinfecting of sidewalks and/or streets in the Skid Row and DTLA areas in recent months? If so, when and where?

I'd like to interview someone from BOS about this subject in the next few days. I can be flexible.

Regards,

Joel
